

## PDA Software Development: Project Unit part 1

### Student guide & checklist.

<b>Full name</b>	Adrian Tuckwell
<b>SCN Candidate no</b>	
<b>Cohort no</b>	Cohort 7

The evidence required for this can be taken from your assignments or by doing the Flix Rating app. Please remember to hand in this document with the name of the files so that assessors can mark your work quicker.

ref	TASKS/ EVIDENCE REQUIRED	Done	Date	File name
P a	During your second project you have worked as part of a team using <b>Github</b> . Take a screenshot of the <b>contributors page</b> to show the team you worked with.			
P b	Take a screenshot of the project brief, where provided. Where one is not provided, write a project brief which outlines the requirements of the program.			
P c	Using trello you should have a <b>MOSCOW</b> board of the work you carried out in the group project. Provide a screenshot of it.			
P d	Write an <b>Acceptance test plan</b> with acceptance criteria for such things as, user interaction, API interaction and data storage, finding or display of data.			
P e	Create a user <b>sitemap</b> for this project, thinking about all possible pages.			
P f	Produce two <b>wireframe designs</b> showing user interface and interactions, what you have hoped it would look like.			

P g	Produce two <b>system interaction diagrams</b> (sequence and/or collaboration diagrams)			
P h	Produce two <b>object diagrams</b> to display the objects in your project and the interaction of data.			

Authentication statement:

I verify that all the work presented for assessment is my own.
